

Managing an Inter-Agency Transfer Overview

The Transfer Employee business process refers to the movement of an employee from one position to another position. This Job Aid addresses the following transfer transaction, otherwise known as Inter-Agency Transfers:

- An employee transfers from one state Agency to another state Agency

Coordination between the Sending and Receiving Agencies is imperative as the effective dates and Action/Reasons of the transactions must be entered correctly by both Agencies to prevent inaccurate breaks in service and healthcare. The Sending Agency should enter a Termination/Transfer Out transaction and the Receiving Agency should enter a Hire/Transfer In (XXX) transaction. The Sending Agency enters the transfer date (i.e., termination/transfer out effective date) as the day after last day worked (i.e., transfer date is 1/1/2020, but last day worked was 12/31/2020). The Receiving Agency must use the same date or the next day to prevent a break in service. The DHRM Policy Team recommends the following:

“The Receiving Agency should consult with the Sending Agency and determine the resignation/separation date. If there is a difference that involves a few days, then we encourage the former agency to approve the employee's use of LWOP and expand the separation date so there is no break in service.”

If applicable, the Receiving Agency must also update the employee's Agency Provided Email address in Personal Data, update the employee's telework agreement and process a leave balance adjustment.

All salaried employees who are transferring from one Agency to another must be terminated from their Sending Agency prior to being hired into their Receiving Agency. When these employees are in active salaried positions in both Agencies, Anthem, Aetna, and other healthcare providers receive data files that show the employee as active in two Agencies, which results in both records cancelling. When this data mismatch occurs, the healthcare vendors do not receive the updated information regarding the Agency change and the transferring employee loses health benefits coverage.

Transferring an employee from one Agency to another, the Agency Benefits Administrator will need to review benefit elections of the employee once the transfer to the Receiving Agency is complete. See the Job Aid titled **BN361_Managing Terminations and Transfers** for more details. This Job Aid is located on the Cardinal website in **Job Aids** under **Learning**.

If the Receiving Agency uses Cardinal Absence Management, the HR Administrator of the Receiving Agency should request the salaried employee's leave balances as of the date of transfer from the Sending Agency. Leave balances do not transfer automatically in Cardinal, therefore the Receiving Agency will have to process a balance adjustment in the Time and Attendance module when the transfer is complete. For further details on balance adjustments, see the Job Aid titled **TA374_Managing Absence Balances**. This Job Aid is located on the Cardinal website in **Job Aids** under **Learning**.

HR351_Managing an Inter-Agency Transfer

As of 11/11/2022, per DHRM policy, Service Credit for Annual Leave Accruals, the annual leave accrual rate is determined by using state service and a veteran's service in the military, National Guard or Reserves. A Veteran's service is determined by adding the net active service, total prior active service, and total prior inactive service data found on the form DD-214. To assist in identifying employees who are eligible, the RHR294-Disability and Veteran Service Report can be used. In order to run this report, the user must have the manager role due to the disability information on the report.

Be sure to enter/review the employee's citizenship, the employee's personal data, and add telework agreement if one has been established/approved.

- For further information on entering citizenship information, updating personal data and telework, see the Job Aids titled **HR351_Viewing and Modifying Personal Data** and **HR351_Maintain Employee Teleworker Data**. These Job Aids can be found on the Cardinal website in **Job Aids** under **Learning**

If the Agency requires the Employee Activity Report to be placed in the personnel file, be sure to run the **Employee Activity Report**. This report can be found in the **Cardinal HCM Human Resources Reports Catalog**. The reports catalog can be found on the Cardinal website in **Reports Catalog** under **Resources**.

Communicate with the employee to update/review state and federal withholding forms, direct deposit elections, etc. per established business practices. If the tax withholding paper is not collected and entered prior to the first payroll period, withholdings will default to single and zero. State taxes default to VA.

Receiving Agency Benefits Administrator - Review the transferring employee's information to ensure the transfer is done correctly and with as little disruption to the employee as possible.

Coordinate with Agency Time and Labor (TL) Administrators to ensure that all employees are assigned the applicable Work Schedule (can be assigned by either a TL Administrator or the employee's supervisor), review their TA eligibilities (i.e., overtime, comp leave, etc.) and leave balance for possible adjustments.

- For further information on assigning Work Schedules and entering balance adjustments, see the Job Aids titled **TA_Maintaining Employee Work Schedules** and **TA374_Managing Balance Adjustments**. These Job Aids can be found on the Cardinal website in **Job Aids** under **Learning**
